

Poamoho Bible Church

October Newsletter-2018

Dear Prayer Warriors,

We concluded the month of October with our annual Fall Festival on October 31st. In the past, we held our Fall Festival on the Saturday in October when the youth are out of school for Fall Break. However, since this year Halloween was on Wednesday, we decided combine our midweek More Than Conquerors (MTC) service together with our Fall Festival and our Halloween alternative. Additional tents were set-up in the park to host a carnival style atmosphere with games, prizes, candy and even a family friendly pumpkin-decorating contest. A missionary from Chuuk, Micronesia was also in town and visited our church that day. He shared his ministry and also assisted with one of the games.

Several of our church members had the privilege to visit a member's father who was recently admitted to a facility for rehabilitation. They sang songs to him and enjoyed a good time of fellowship. The family recently requested prayer, as they will need to find another home care facility for their father.

Another blessing was bestowed upon the church during a Wednesday MTC service. A local television crew filmed a car scene at a crossroad near Poamoho and used the park in the village as a home base. This home base was where their eating area was setup complete with tables and chairs to dine and where the Ferrari was parked. As the workers called it a day, our young people snapped a few photos next to the Ferrari and was even invited help themselves to the food after the their crew was fed. Our young people thoroughly enjoyed themselves with all the accouterments of a movie star.

In 1 Corinthians 4:2 the Lord instructs us that "Moreover it is required in stewards, that a man be found faithful." We thank that Lord for the faithfulness of our congregation in the passing out of the church gospel cards. In the beginning of the year we set a goal to share and give out 1,200 gospel cards. This past month we were able surpass that goal. God tells us in Acts 2:47 that He adds to the church daily such as should be saved. God wants us to just be faithful.

We praise the Lord again for the good turnout to all of our services. From the month of April, God has sent a "full house" for the Sunday morning services with just about every seat taken. Our Sunday school time has also been blessed with many male teenagers and young boys that have been faithful in their attendance. Our prayer request is that these young men along with the rest of the teenagers will remain dedicated to serving Christ.

October also marked Pastor Appreciation Month. The congregation showed their appreciation to our Pastors and blessed them with wonderful gifts.

Mahalo nui loa for your continued prayers and support!
