

Poamoho Bible Church

August Newsletter-2018

Summer is quickly coming to an end and with August now completed, our students are now back in school. Two of our college students headed back to the mainland and the third attends college locally.

In the beginning of August, the Annual Crusade 4 Christ-Hawaii End of Summer Fellowship Youth Rally was held over a three-night period at a community center gymnasium. The teens were challenged by the preaching of the Word of God to “show themselves friendly” with the start of a new school year. They also enjoyed skits, games, prizes, food, and fellowship with other teens from several of the “sister” churches around the island.

This summer we have seen God’s blessings with several morning services having a “full house” with almost every chair being taken. We also added a Koinonia (fellowship) Luncheon to our calendar of events for the summer. After a morning service, we headed to Haleiwa on the North Shore and had a great time at the beach - grilling, eating and swimming. A great time of fun and fellowship!

August begins hurricane season for the state of Hawaii. The recent Hurricane Lane literally put the islands on a two-day safety “shut down” mode. All schools and most businesses were closed for at least Thursday and most of Friday during the path of the storm. Praise the Lord that the wind shear and other weather conditions caused most of the storm to miss a direct hit on the islands; however, there were torrential rains and flooding to certain areas of the state.

August concluded with another true blessing as two of our youth that have been recently attending our MTC (More than Conquerors-Romans 8:37) Wednesday services accepted Jesus Christ as their personal Savior. Please pray for the spiritual growth of these two young men and for the opportunity to share the gospel with their families.

Meets at Poamoho Village, Wahiawa HI 96786
